

Environmental Policy Statement

The following environmental policy statement has been prepared and agreed by the Directors of Craighendmuir Limited, Red Deer Village Residential Park and Red Deer Village Holiday Park management and staff.

Red Deer Village is a residential park for the over 50's community, Red Deer Village Holiday Park is a Touring, Camping and Holiday Home business catering to tourists visiting Scotland. Craighendmuir Limited/ Red Deer Village Directors, management and staff recognises that our operations impact on the environment at global, national and local level.

As such we are committed to:

- Safeguarding the environment, and striving to prevent pollution and provide sustainable solutions wherever possible
- Minimising the negative impacts of our activities on the environment in the delivery of our services and our choice or use of resources
- Reviewing our practices, procedures and services continually, to improve our performance
- Being a good Neighbour - supporting our local community and economy
- Provide recycling area for guests, residents and staff to use
- Advising our guests and others on the reduction of environmental impact, and engaging our suppliers, associates, and clients in environmental initiatives and best practice
- Maintaining up-to-date knowledge of and complying with relevant environmental legislation and regulations
- Seeking continual efficiency improvements in all our activities
- As far as possible, we minimise our Carbon Footprint/emissions/discharges to the environment/waste stream...
- Wherever possible we use only sustainably sourced materials / renewably-sourced energy / fair trade resources / biodegradable packaging..."
- Communicating this policy to our employees, associates, suppliers, clients, and other parties in our literature and proposal documents
- Reviewing this policy and our delivery of it continually against our corporate objectives and developments in environmental issues
